

# Making a donation

As a non-profit mission, YWAM Laguna relies completely on donations given by generous donors like you! As all ministry projects and activities carried out by YWAM Laguna are self-funded, your support is what makes this ministry possible.

We are so thankful for those who faithfully stand with us and support the work here in Laguna, Philippines. Your support is making an impact! We couldn't do this without you!

All Canadian donations are tax deductible! Donors will be sent a receipt from Youth With A Mission Foundation.

Only 5% of your donation will be used to cover administrative fees. This means that 95% of your donation will go directly to YWAM Laguna and their missionary needs!
